

BB GOAT PRO 1806

ALL NATURAL PROTEIN- No urea or NPN added to insure the highest possible feed intake. The 18% crude protein level maximizes milk production

HIGH ENERGY- High carbohydrate and fat levels maximize energy levels to meet peak milk production while maintaining body condition. This is accomplished with the steam flaked soybeans, sunflower, corn, oats, and barley

3 IN 1 MOLASSES- Eliminates dust while providing texture and flavor to enhance palatability and maximize feed consumption

BALANCED MINERAL LEVELS- Correct levels and balanced ratios of minerals to meet the needs of growth, meat, hair and milk production. Contains urinary acidifiers to help reduce the formation of urinary calculi

ALBION® MAAC® CHELATED MINERALS- Improved bioavailability can improve reproductive performance, build immune response and maximize persistence in milk production. Improves hoof strength and hair coat shine

WHOLE GRAINS- A Selected blend of whole grains preferred by goats. This also reduces dust and fines

FEED TYPE- COMPLETE GRAIN

FEED FORM- TEXTURIZED

PURPOSE STATEMENT- A Nutritionally Balanced Feed Formula With Crimped Corn And A Variety Of Whole Grains For All Phases Of Goat Production.

GUARANTEED ANALYSIS

Crude Protein (Min).....	18.00%
Crude Fat (Min).....	6.00%
Crude Fiber (Max).....	8.00%
Calcium (Min).....	0.70%
Calcium (Max).....	1.20%
Phosphorus (Min).....	0.50%
Salt (Min).....	0.25%
Salt (Max).....	0.75%
Selenium (Min).....	0.60ppm
Vitamin A (Min).....	5,000 IU/Lb

INGREDIENTS

Crimped Shelled Corn, Steam Flaked Soybeans, Oats, Barley, Molasses, Soybean Meal, Oats, Oil Sunflower, Dried Distillers Grains, Beet Pulp, Calcium Carbonate, Dicalcium Phosphate, Wheat Midds, Salt, Cane Molasses, Ammonium Chloride, Corn Oil, Vitamin A, Selenium Yeast, Zinc Sulfate, Iron Sulfate, Magnesium Oxide, Manganese Oxide, Magnesium Oxide, Zinc Amino Acid Chelate, Magnesium Amino Acid Chelate, Potassium Amino Acid Complex, Copper Amino Acid Chelate, Manganese Amino Acid Chelate, Ethylene Diamine Dihydroiodide, Vitamin D3 and Vitamin E, Yucca Schidigera

FEEDING DIRECTIONS

Dry & Non-Milking Does- Feed 0.5% to 1.5% of body weight.
Milking Does- Feed milking does up to 1 Lb of feed per Lb of daily milk production. Adjust levels fed in late lactation based on body condition. Provide forage free choice.
Growing Kids- Feed this product at the rate of 1.5% to 2.5% of body weight daily plus forage.
 *Albion® brand of chelates resulting from the chelation of a soluble salt with amino acids patented by Albion’s U.S. Patent 4,167,564 and patent’s pending
